A Hawaiian Woman's Claim.
A Sacramento paper of June 10th has the following: "Some years ago W. E. Callahan, a son of Mr. and Mrs. P. A. Callahan of this city, departed from Sacramento for the Sandwich Islands. He resided there several years, but finally, while laboring under a fit of temporary insanity, jumped into the ocean and was drowned. He left, it seems, some property on one of the Samoan Islands worth several thousand dollars, and his parents petitioned the Superior Court here that the estate be ordered distributed to them. The motion came up in Judge Van Vleet's Court this morning, when Matt F. Johnson presented the claim of a dusky maiden of the Sandwich Islands, who asserts that she is the widow of W. E. Callahan, and asked that she be awarded the property. She asserts that when she was 14 years of age she and W. E. Callahan were united in marriage by United States Consul Greenbaum. The attorneys for the parents questioned a lady who had seen the widow, with the evident intent of proving that she was a negro, but the Court did not seem to take any stock in the assumption that a marriage with a native of the Sandwich Islands would be illegal. The Sacramento claimants also set up the belief that their son was insane at the time of the marriage, but Judge Van Vleet said that the only matter he would take into consideration was the marriage, and he continued the matter that depositions may be had from the Islands."

Milkmaids' Concert.
The Ladies' Church Aid Society of the Second Congregation of St. Andrew's Cathedral will give a Milkmaids' Concert and ice cream festival at the Y. M. C. A. building, on the evening of July 1st, at 7:30.

To-night's Concert.
The grand combination concert takes place at the Hawaiian Opera House this evening, under Capt. Robt. Parker's management. The programme is an exceedingly good one, and consists of songs and choruses by the Iolani and Heanani Clubs. Mr. Kalakieke discourses on Masonry. There will also be two Hawaiian tableaux performed in the ancient costume of the country. The object of the concert is to benefit the funds of the Kaunakapili Church, and should attract a large audience.

The Masonic Excursionists.
The members of the Masonic excursion who visited Maui have handed us the following for publication:

Those of the Masonic excursion who spent the week ending June 25th on the Island of Maui, desire to return their thanks to Mr. John Richardson of Wailuku, whose attentions will long be remembered by those who had the good fortune to fall into his keeping. We strongly recommend Mr. Richardson as a courteous

gentleman, generous in the fulfillment of his contracts, and advise all tourists wishing to visit Maui to put themselves in his care.

A Wedding.
The San Francisco "Call" of June 6th has the following: "A quiet wedding took place at Colma on Saturday, the 28th ultimo, when Miss Eva Knowles was married to Captain William Matson of San Francisco. The happy pair are enjoying their honeymoon in San Jose. Captain Matson is well known in the Hawaiian Islands, having run the schooner Emma Claudina from Hilo to San Francisco for many years. A fine new schooner is now being built for the Captain to run between the same ports."
